Positive news: Abe visit FD office Monday, gave him the divisional map, identified DT towns and opened DT when he was there. Then visit another FD Tuesday, gave him the divisional map, identify DT towns and located a DT office. On Wednesday, 2 FD's contacted him and inquired when able visit their office because they have DT's to promote !!! Bam 🌟 !! If you are still spending the majority of your time trying to get people to sell more vacuum cleaners instead of opening more offices, you are missing the MOVEMENT !!!!!!!
